About Cosmetic Lesion Removal

Our advanced trained doctors specialise in medical lesion removal. Collectively our expert doctors have removed thousands of harmless lesions, skin tags and age warts with great cosmetic results.

All lesions are thoroughly examined or sent for pathology by the doctor to exclude any abnormality.

Testimonials:

"I love my new face. Now I am first in line for a photograph."

PM (Parkwood)

"The procedure was quick and easy. I am glad I had the moles removed because now I look and feel much better."

CH (Gaven)

"At last I am thrilled to have my large embarrassing facial mole removed. I wish I had done it years ago"

AR (Hollywell)

"I no longer cut my moles when I shave. Brilliant procedure, great results." TM (Oxenford)
